We often reduce overall 401k fees by 50% or more. Compounded over time, that is incredible savings for employees. It falls in the category of attractive job benefit!

For your business, One Day In July generally can operate the plan where you have it today, saving switching hassle and costs. Or we will assist in transferring the plan to a low-cost, modern record-keeper that will save you even more money and add simplicity.

Your employees work hard. We want them to capture the returns.
